Cake

The Ocean Blue

Stop her, don't let anybody breathe
Wake her, don't let anybody see
Don't batter your own
When you bake your cake
Don' shatter your own
When you make your cake

Help her, she is not herself
Love her, she is not her own
Don't batter your own
When you make your cake
Don' shatter the bone
When you make your cake

I don't know who's talking
But it isn't me, it isn't me
I don't know who's speaking
But I see it clear, I see it clear
I don't know the way out of here

Stop her, don't let anybody breathe
Wake her, don't let anybody see
Don't batter your own
When you bake your cake
Don' shatter your own
When you make your cake

Don't batter your own
When you bake your cake
Don' shatter the bone
When you bake your cake
