

## Gower Wassail

The Oh Hellos

A-wassail, a-wassail throughout all the town  
A-wassail, good neighbors, we'll drink to you now!  
Besides all on earth, you have apples in store  
Pray let us come in for it's cold by the door

Fol dedol dol dedol  
Dol dedol dol de dol  
Fol de de ro  
Fol de da ri  
Sing too ra li o

There's a master and a mistress sitting warm by the fire  
While we poor wassailers stand out in the mire  
Come you pretty maid with your silver headed pin  
Pray open the door and let us come in  
And if we survive for another new year  
Perhaps we may call and see who does live here

Fol dedol dol dedol  
Dol dedol dol de dol  
Fol de de ro  
Fol de da ri  
Sing too ra li o

We know by the moon that we are not too soon  
And we know by the sky that we are not too high  
We know by the stars that we are not too far  
And we know by the ground that we are within sound

We know by the moon that we are not too soon  
And we know by the sky that we are not too high  
We know by the stars that we are not too far  
And we know by the ground that we are within sound
