

Bargain

The Ongoing Concept

Am I where I was meant to be?
Am I going where I planned?
Don't know if this is right
Don't know what I've become
Something I'm not, it's eating me up inside

I can't win

I've got nothing left to say, I've got nothing left to do
So lost, so much anxiety
I don't know if I am keeping my end of the bargain

Please keep me on your mind
Because you are always on mine

And I can't keep up
And I don't know what I thought I could do to make this all work out for you and me

I don't know if I am keeping my end of the bargain

Am I where I was meant to be?
Am I going where I planned?

I don't know if I am keeping my end of the bargain
