

Goodbye, So Long

The Ongoing Concept

Goodbye, so long, I'm leaving
Goodbye, so long, I'm leaving
Goodbye, so long, I'm leaving
Goodbye, so long, I'm leaving

You were everything to me
But you left me with nothing
I just wanted to be the one for you
But you left me

Goodbye, so long, I'm leaving
Goodbye, so long, I'm leaving
Goodbye, so long, I'm leaving
Goodbye, so long, I'm leaving now
