

Melody Again

The Ongoing Concept

I'm not writing a love song
I don't need to get it right this time
Don't need words of wisdom
'Cause I've got the keys to the kingdom
Won't lock you out 'cause I know what you'll do to get me back, get me back,
get me back

Melody come back to me
Had lost your wisdom 'til you found me
You found me, you found me
Melody
Was lost in my own thoughts
You keep seeking me out

You're a dream, you're a dream
I'm gonna wake up, wake up
You're a dream, you're a dream
I'm gonna wake up to

You're a dream, you're a dream
I'm gonna wake up, wake up
You're a dream, you're a dream
I'm gonna wake up to

I'd do anything to get you back
I'd do anything to get you back
Melody, melody, come back to me
Melody, melody
Melody, melody, come back to me

I feel your warmth baby
As you turn to face me
The union of prince and fairytale
Held on by a thread, by a thread, by a thread, by a thread
I took you back
I've got you now

Held on by a thread you see
As that tower stretched before me
That I climbed upon
And overthrew that evil queen
Yeah!
Melody, you tried to leave in silence
There's nothing without me

Melody come back to me
Had lost your wisdom 'til you found me
You found me, you found me
Melody
Was lost in my own thoughts
You keep seeking me out

You're a dream, you're a dream
I'm gonna wake up, wake up
You're a dream, you're a dream
I'm gonna wake up to

You're a dream, you're a dream
I'm gonna wake up, wake up
You're a dream, you're a dream
I'm gonna wake up to

Melody, melody, come back to me
Melody, melody
Melody, melody, come back to me

Melody, melody, come back to me
Melody, melody
Melody, melody, come back to me
(I need you now, I need you now)

It was a dream
I had you once but you decided to leave
Lock me out
See what I'd do to get you back
Melody come back to me
I need you now, I need you now
