

Melody, come back to me

I am writing a love song  
And I need words of wisdom  
You are my princess, and I need you more than the prince who's  
standing outside your castle door

You got the keys to the kingdom  
But you pulled a prank, took those keys, and threw them all away  
You locked me out just to see what I'd do to get you back

Melody, come back to me  
I need words of wisdom

You're a dream I always want to wake up to  
You're a fairytale  
But the evil queen she won't be very happy  
'Cause I'll climb that tower to get you back

Melody, come back to me  
I had your warmth, but you decided to leave  
I need words of wisdom  
Melody, come back to me  
It was all just a dream  
I'll do anything to get you back

Come back to me  
Don't turn your back on me

Melody, come back to me  
I need words of wisdom  
Melody, come back to me  
I'll do anything to get you back
