

Off the Cuff

The Ongoing Concept

Don't know what I'm going to say next, putting myself to the test

Overthinking, overthinking this

So many things to say, got to make them count

Overworked and under pressure

Never going to get paid but I'm still motivated

Obligated, but I'm slowing it down

I'm obligated, but I'm slowing it down

I am speaking off the top of my head

Now I'm thinking of things I could say instead

Procrastination

I don't even know what I'm going to say next

Cause everything I say may seem a little out of context

Obligated, but I'm slowing it down

Obligated, but I'm slowing it down

I am speaking off the top of my head

Now I'm thinking of things I could say instead

Overrated

Can't eat, can't sleep, repeat

Can't eat, can't sleep, repeat

Repeat, repeat, repeat

Can't sleep, can't eat, can't do anything

Can't sleep

Obligated

I am speaking off the top of my head

Now I'm thinking of things I could say instead

Can't sleep

Obligated
