

# Owe Me

The Ongoing Concept

I don't care what you think  
You don't have a say in the way I choose to live  
Look on the bright side, look on the bright side  
Some things are better left unsaid  
Some things are better inside my head  
Focusing on everything I have, I'm getting on my way

Looking on the bright side

You don't owe me anything  
You don't owe me anything  
Looking on the bright side, pretending life is just fine  
Looking on the bright  
You don't owe me anything

Sleepless nights, sleepless nights  
Got to pay you back, got to pay you back

Just kill me

Just do it, kill me, you know you want to do it  
Kill me now, get it over with

You don't owe me anything  
Looking on the bright side
