

Please Don't Ever Leave Me

The Ongoing Concept

I am yours
For the time we have together
I don't mind
Whatever we do it doesn't matter

Don't ever let go of me
Just hold onto my hand
Let's stay here forever cause your the only one I have

Please don't ever leave me
I need you by my side
Please don't ever leave me
I don't know how to live lonely

Days go by so fast when your with me
And when we are together I am who I want to be

But I hate seeing you crying
When there is nothing I can do
Just rest your head on my shoulder
Cause I'm always here for you

Please don't ever leave me
I need you by my side
Please don't ever leave me
I don't know how to live lonely

I need you more then anything
Without you here I am nothing
Please don't ever leave please don't ever leave me
Please don't ever leave please don't ever leave me

Please don't ever leave me
I need you by my side
Please don't ever leave me
I don't know how to live lonely

Please don't ever leave me lonely
