Punisher

The Ongoing Concept

It's day twenty five, got to pack up my stuff
Got to get out of here before everyone knows that I'm leaving

You think you can come up to me
Break me down, push me aside
No honey, no way

You think I'm so soft, you think I'm so soft
You think I'm soft, but I'm not, you think I'm so soft

Last calls and traffic lights, keep me up all night
This is what I fear, don't want to be here
Nothing ever goes my way

Holding my tongue, keeping back my opinions
Just to prove that I really care

Some nights, peace of mind, is the only thing that gets me by
I have a little more class than that, I think I'll pass on that act
My life I can guarantee
Is not meant for people like you to see

I've got everything to lose, I've got nothing to gain from you

You think I'm so soft, you think I'm so soft
You think I'm soft, but I'm not, you think I'm so soft

You think I'm so soft

Pour me a drink, I think it's time for me to leave
I've got other places to be, where my time is more well spent

Every day, every single day I get up, get down, the last thing
I want to do in this world is talk to you
You think I want to waste my time on this

Do what you got to do to sleep at night
I'll do what I got to do to make you sleep at night

You think I'm so soft

Do what you got to do to sleep at night
I'll do what I got to do to make you sleep at night

You think I'm so soft, you think I'm so soft
You think I'm soft, but I'm not, you think I'm so soft
