

# Unwanted Again

## The Ongoing Concept

I hold my tongue and everything gets better  
I hold my tongue  
I hold my tongue and everything gets better  
I hold my tongue

And I might pay the price  
Be indebted my whole life  
And watch me devour my ego  
Is that all you want from me?  
So what would it take to break away  
And motivate some sense of change?  
Or maybe I might face the ache that fades away I'm feeling

Unwanted  
Every single day  
Unwanted  
Here we go again  
Unwanted  
Every single day  
Unwanted  
Here we go again

Lead me on, lead me on  
I want a new frame of mind  
Lead me on, lead me on  
From the start, from the start  
You shattered my heart, you shattered my-

New frame of mind  
All I want back  
Want it back, want it back  
I want a new frame of mind  
Want it back, want it back

And you don't know what I'm going through  
Don't know what I'm gonna do  
Everybody's weighing in  
I wanna fall in love, I wanna fall in love with you  
I wanna fall in love, I wanna fall in love with you

'Cause you lead me on, lead me on  
I want a new frame of mind  
Lead me on, lead me on  
From the start, from the start  
You shattered my heart, you shattered my heart  
Frame of mind, frame of mind  
Frame of mind, frame of mind  
Frame of mind, frame of mind  
Lead me on, lead me on  
From the start, from the start  
You shattered my heart, you shattered my heart

(I hope everything gets better)  
(I hold my tongue)  
(I hold my tongue and everything gets better)  
(I hold my tongue)  
I hold my tongue

'Cause you lead me on, lead me on  
I want a new frame of mind  
Lead me on, lead me on  
From the start, from the start  
You shattered my heart, you shattered my-
