

Castle Built on Sand

The Only Ones

No-one seems to know the truth
How he disappeared from view
He's overcome with guilt
Hiding in a castle built

on sand (oo oooo oo oo)
Built on sand (oo oooo oo oo)

Standing at the Traitor's Gate
Masked men on horses wait
For their chance to infiltrate
And take the castle built...

on sand (oo oooo oo oo)
Built on sand (oo oooo oo oo)

See the jackals fightin' for the caucus
On a constant search for green and pastures

No-one seems to know the truth
How he disappeared from view
He's overcome with guilt
Hiding in a castle built

on sand (oo oooo oo oo)
Built on sand (oo oooo oo oo)
Built on sand
