

## It's Time To Go

The Organ

If you're tired of the scene  
And rock doesn't mean a thing  
And all the girls look bad when they sing:  
La da da da da da da da da da da da da da da da da

It's time to go  
It's time to go

And your friends know all the words  
To the songs that you've already heard  
And as they get on the floor they sing:  
La da da da da da da da da da da da da da da da da

It's time to go  
It's time to go
