

## Adrianne

## The Orion Experience

Well I don't know how you did it  
But you turned this boy into a man  
Adrianne  
Well I don't know how you do it  
But you touch me like no one can  
Adrianne  
Well I don't know how you do it  
But I turn to putty in your hands  
Adrianne

Well the first time that I saw you  
You were flirting with another man  
Adrianne  
But you gave me a wink  
You made me think that I might stand a chance  
Adrianne

Well I'm sorry if I seem to be a bit confused  
But I'm slightly undecided which side to choose  
Cause I've never had a lover  
Make me question Mother Nature's plan  
I want to be your man  
Adrianne

Well my friends are always sayin'  
You're a player that's in demand  
Adrianne  
Yeah my friends are always sayin'  
You'll be playin' that game again  
Adrianne  
Well I thought I could resist  
But now your wish, it is my command  
Adrianne

Cause it was absolute surrender  
From the moment that you held my hand  
Adrianne  
Yeah it was absolute surrender  
Baby now I am your biggest fan  
Adrianne

Well I'm sorry if I seem to be a bit confused  
But I'm slightly undecided which side to choose  
Cause I've never had a lover  
Make me question Mother Nature's plan  
I want to be your man  
Adrianne

Well I've had all kinds of lovers  
But you're different from the others  
And your secrets I've discovered  
Adrianne

Well I don't care who knows it  
I'm in love and I don't give a damn  
Adrianne  
I don't care who knows it

We've got something they don't understand  
Adrianne

I don't care who knows that I'm in love with you  
We don't need no ones permission to do what we do  
Cause your love is so delicious  
It's a sweet and vicious wonderland...  
I want to be your man
