

# Like Sexy Dynamite

## The Orion Experience

Oh yeah, your love it gets me hotter than a flame  
Fever at the mention of your name  
Don't wanna get too caught up in the game  
Too late  
Too late, you're taking me over  
I knew I was in trouble when you held my hand  
You radiate emotion that I just don't understand  
You move me with desire, this was not my plan  
Oh no  
Oh no, I'm going under  
You're like water, I can't hold you  
Slip through my fingers, I can't control you  
I'm on fire with your crazy energy, it's lightning  
Look what you do to me

You're like sexy dynamite  
You cause explosions inside me every night  
You're like sexy dynamite  
You cause explosions inside me every night

All of my life I've been waiting for this  
Illuminate the sky with your electrifying kiss  
You're gonna take me down but I just can't resist  
Too late  
Too late, you're taking me over  
All the little lover-things you do to me  
Your soul ignites the fire that sets me free  
You know I will surrender to your ecstasy  
Oh yeah  
Oh yeah, I'm going under  
I see a tidal wave on the horizon  
I feel the danger, the tide is rising  
You're like a hurricane, lightning and thunder  
You know I can't escape the spell I'm under

You're like sexy dynamite  
You cause explosions inside me every night  
You're like sexy dynamite  
You cause explosions inside me every night

And when you kiss me there  
A soft explosion fills the air  
You know you've got me dear

You're like sexy dynamite  
You cause explosions inside me every night  
You're like sexy dynamite  
You cause explosions inside me every night
