Moving stranger, does it really matter?
As long as you're not afraid to feel
Touch me, hold me, how my open arms ache
Try to fall for me

How I'm moved, how you move me
With your beauty's potency
You give me life, please don't let me go
You crush the lily in my

Soul

Moving liquid, yes, you are just as water
You flow around all that comes in your way
Don't think it over, it always takes you over
Sets your spirit dancing

How I'm moved (how I'm moved), how you move me (how you move me)
With your beauty's potency
You give me life (you give me life), please don't let me go (please don't let me go)
