

## Broken Bones

The Orwells

(I think the day where we become musicians is the day we go down hill. I mean, we're just... You know, we're really in it for the sheer excitement of it all.)

Ahhhhh

Hello, well a hello, hello baby, why you gotta act like that  
That's what I get, that's what I'll get you, I'll tell you right on the tracks

You're trying to be a part of me, you lied to me, didn't you  
You shed a tear, I wanna hear, what're we gonna do

We're doomed

We're doomed

We're ahhh, nothing, nothing, nothing to do

We're doomed

We're doomed

We're doooooomed, I want nothing

To do

Whyyyyyy

Ohhhhhh

Doooooomed

Yeah yeah yeah yeah, oh yeah yeah yeah

Doomed

We're doomed

We're doomed

We're doomed
