

In My Bed

The Orwells

I tried (I tried)
She lied (she lied)
It's too late (too late)
Goodbye (goodbye)

I tried (I tried)
She lied (she lied)
It's too late (too late)
Goodbye (goodbye)

What she said in my bed
Said she wished that I was dead
What she said in my bed
Said she wished that I was dead

Well I tried (I tried)
She lied (she lied)
It's too late (too late)
Goodbye (goodbye)

I tried (I tried)
She lied (she lied)
It's too late (it's too late)
Goodbye (goodbye)

What she said in my bed
Said she wished that I was dead
What she said in my bed
Said she wished that I was dead

Well I tried (I tried)
She lied (she lied)
It's too late (it's too late)
Goodbye (goodbye)

I tried (I tried)
She lied (and she lied)
It's too late (too late)
Goodbye
