

Interlude

The Orwells

Made in a moment I'll stand at the side
May be a mistreatment of feeling alive
Who comes crawling when I'm misused

When I've seen all I've wanted to see
Nothings bothering me
When I'm needed I'll be
What's expected from me
When I'm older I'll be
What you need me to be
When I've seen all I've seen
No ones borrowing

Who comes crawling when I'm misused

When I've seen all I've wanted to see
Nothings bothering me
When I'm needed I'll be
What's expected from me
When I'm older I'll be
What you need me to be
When I've seen all I've seen
No ones borrowing
