

Bye Bye Blues

The Osmonds

We're a little bit young to be offering advice
But we can't resist, 'cause you're all so nice
We have some information on how to lose the blues
Here it is, listen now
It's the latest news

We're saying bye bye blues
We're saying bye bye blues
Now listen, bells ring, birds sing
Sun is shining, no more pining

Just we two (all alone)
Smiling too (be my own)
Don't sigh, don't cry
Bye bye blues

We're saying bye, bye blues, bye bye blues
Bells ring, birds sing
When you're singing
Blues go winging

Bye bye, bye bye
Bye, bye, bye, bye
To your blues
Bye bye, bye bye
Bye, bye, bye, bye
Here's the latest news

When you're smiling all the day
You will drive your cares away
With bye, bye blues
(Bye bye blues)

Now if you try our advice
You can't go wrong
You only need a smile
And a little song
With
Bye, bye, bye, bye
Bye, bye, bye, bye
Blues
Bye, bye
