

Don't Panic

The Osmonds

Lately I've been thinking where my head is going lately
And amidst the confusion I become disillusioned

Don't panic, I keep telling myself
Don't panic, Got to be yourself

Before I think of changing, before I think of rearranging
Show me what you got to offer, maybe I'm better off without it

Don't panic, I keep telling myself
Don't panic, got to be yourself

Maybe I'm in a corner and maybe I'm a part-time owner
In a world of confusion, makes me wanna seek seclusion

Don't panic, I keep telling myself
Don't panic, got to be yourself

Don't, don't, don't panic
Don't, don't, don't panic

Don't panic, I keep telling myself
Don't panic, got to be yourself
Ablibs ...
Come on baby...
Come on and listen to that, Merrill
Merrill, come on in

Keep on My Side
Love am I talking to myself
Love are you thinking bout yourself

Love is it love, don't play that game with me

Love are you really being fair
Love to keep me as just a spare
Love is there love, don't fool around with me

Keep on my side
Keep on my side
Keep on my side
Keep on my side, yeah
Keep on my side
Keep on my side, yeah

Girl, you are getting me upset
Girl, I refuse to give up yet
No don't let go, until you say you know
Take me back to where I belong, yeah
Take me back to you
Take me back I can't stay away
I'm a part of you
Say it again, now
Take me back to where I belong, yeah
Take me back to you

Take me back I can't stay away
I'm a part of you
What? I'm in love with you, oh
Keep on my side
Keep on my side
Keep on my side
Keep on my side, yeah
Why does it have to come to me
I am a man of misery
Low, I feel low, I don't know where to go
Keep on my side
Keep on my side
Keep on my side
Keep on my side, yeah
