

Getcha Goin' My Way

The Osmonds

Getcha goin', getcha goin' my way
Hey, hey, hey, hey
Getcha goin', getcha goin' my way

You've got me goin'
Yeah, right down your way
Got me goin'
Doin' every little thing you say

I'm a puppet
Without you I can't do a thing
You've got me locked up
So tell me what good are my wings

I'll getcha goin', getcha' going my way
Hey, hey, hey, hey
Getcha goin', getcha' going my way

You took my freedom
Just like all of the rest, yeah
I believed in you
Gave you my very best

Times are changin'
But baby if you change too
Turn around girl or I'll be telling
Telling everybody about you

Alright, okay, c'mon
Alright, okay
Alright, okay
Alright, okay
C'mon

I'll getcha goin', getcha' going my way
Hey, hey, hey, hey
Getcha goin', getcha' going my way

Got me goin'

Getcha goin', getcha' going my way
Hey, hey, hey, hey
Getcha goin', getcha' going my way
