

## Gotta Get Love

The Osmonds

1, 2 - 1, 2, 3, 4  
Gotta get love, love, love  
back into my life.  
Gotta get you, you, you  
back into my life.  
I keep hopin',  
I keep waitin',  
I keep lookin',  
but I can't find love.

Gotta get hurt and pain  
right out of my life.  
Gotta find a way to  
lure you into my life.  
Gotta be some way,  
gotta be some time,  
somehow, I just gotta get love.

Oooo, rising water  
drowning in my tears,  
for so many years.  
Oooo, rising water  
heavy chains of sorrow,  
draggin' on tomorrow.  
Oooo, rising water.  
loneliness is mine,  
buyin' up my time.  
Oooo, rising water

Gotta get love, love, love  
back into my life.  
Gotta get you, you, you  
back into my life.  
I keep hopin',  
I keep waitin',  
I keep lookin',  
but I can't find love.
