

# I Am a Child of God

The Osmonds

I am a child of God  
And he has sent me here  
Has given me an earthly home  
With parents kind and dear

Lead me, guide me, walk beside me  
Help me find the way  
Teach me all that I must do  
To live with him some day

I am a child of God  
And so my needs are great;  
Help me to understand his words  
Before it grows too late

Lead me, guide me, walk beside me  
Help me find the way  
Teach me all that I must do  
To live with him someday

Lead me, guide me, walk beside me  
Help me find the way  
Teach me all that I must do  
To live with him someday
