

# Life Is Hard Enough Without Goodbyes

The Osmonds

Ooh, I love you,  
let me kiss you  
Hold you in my arms.

Others want you,  
but I need you  
Where has our love gone.

Life is hard enough without goodbyes-  
Baby, baby oh I want you bad!

I've never been so sure of myself, yeah!

You know that I want you!  
You know that I need you!  
Oh, you're making me cry,  
and cry, and cry  
Oh here I go again!  
Life is hard enough without goodbyes...
