

Love On The Line

The Osmonds

I'll be there, I'll be
digging your self affair
I'll be chasing you everywhere
just to keep me on your mind
You'll be there,
we'll have a souped up ready time
See the greyhounds race at nine
You're a first hand classy lady
What you say, are you
feeling about me the way
That I'm feeling 'bout you today
Won't you be my fulltime baby
And I'll shout,
got to tell the whole world about
That my credit card has clout
'Cause I'd buy anything
for my baby

Put your love on the line
I'm sending for you baby
I spend the time doing
everything that I can do
To wish your life into mine
You're gonna be so bodily fine
So I say hey baby hey
You gotta put your love on the line

Now then you, here's
the thing that I wanna do
You're the one I wanna groove
baby you're so together
I can tell, that we're getting
along very well
I really got him in my spell
Oh baby I got your number
Oh gonna shout
everything's just working out
Gonna tell the whole world about
It's a wrap baby we're together

Put your love on the line
I'm sending for you baby
I spend the time doing
everything that I can do
To wish your life into mine
You're gonna be so bodily fine
So I say hey baby hey
You gotta put your love on the line

Put your love on the line
I'm sending for you baby
I spend the time doing
everything that I can do
To wish your life into mine
You're gonna be so bodily fine
So I say hey baby hey
You gotta put your love on the line
