

Rainin'

The Osmonds

Living a lonely day
Wishing my life away
Sure would be good
Just to have you near me
Letting you slip away
Is just another page
With the same old story
And it looks right through me
No matter what I do
I keep on losing to
The things I've thought
Of what I'm not
You can't imagine
How it leaves me

It's rainin' on the fire
Of my broken heart
And tearing into pieces
Every loving thought
My souls about to break
(My souls about to break)
It's more than I can take
(It's more than I can take)
And one more thing
That you should know
It's rainin' on the fire
Of my broken heart

Living your life in mine
Somehow I hope to find
Well, I don't know if I
Will stay forever
(Stay forever)
So if you ever need
Someone to count on me
I'll still be here
With an untold story
What am I gonna do
To keep from loving you
How I would wish I could
Never, never know the meaning

It's rainin' on the fire
Of my broken heart
And tearing into pieces
Every loving thought
My souls about to break
(My souls about to break)
It's more than I can take
(It's more than I can take)
And one more thing
That you should know
It's rainin' on the fire
Of my broken heart

Oh, my souls about to break
(My souls about to break)

It's more than I can take
(It's more than I can take)
And one more thing
That you should know
It's rainin' on the fire
Of my broken heart

Oh, it's rainin' on the fire
Of my broken heart
Oh, tearing me apart
Drowning in my tears
I'm losing
