

Sho' Would Be Nice

The Osmonds

I get the feeling that you're not satisfied girl
Wishing you were free to do the town
I get the feeling the way you kiss goodnight girl
You wish I weren't here to tie you down

Sure would be nice if you would love me like you did
I realize you're just a kid
I really love you girl way down deep inside
I know what I must do, step aside

When I first knew you I meant something to you
I don't know why but something sure went wrong
I'll say goodbye now, and please don't try to cry now
It's not hard to see I don't belong

Sure would be nice if you would love me like you did
I realize you're just a kid
I really love you girl way down deep inside
I know what I must do, step aside

Girl kiss me one more time before you go
Heaven knows I'm gonna miss you so
And my love for you won't go away
Cause I'm hoping you'll be back someday, hey

Sure would be nice if you would love me like you did
I realize you're just a kid
I really love you girl way down deep inside
I know what I must do, step aside

Sure would be nice if you would love me like you did
I realize you're just a kid
I really love you girl way down deep inside
I know what I must do, step aside
