

# Steppin' Out

The Osmonds

Catch me I'm a fire  
Cut the tight wire  
Music takes me higher  
Catch me I'm a fire

Don't stop the commotion  
(Let me go, gonna have some fun)  
Step into the motion  
(Round and round and round we go)  
You're a cat skinner  
(You're a cat skinner)  
Bless you, you're a winner

Moving with those changes is  
The only life I know  
Heavy sounds with all  
Those lights just magnify my soul

Oh, steppin' out  
Digging all four's baby  
That's what moving's all about  
I said steppin' shout  
Hanging up all my changes  
I'm just letting it all work out  
Yeah

Catch me I'm a fire  
(Oh oh oh oh, I'm a fire)  
Cut the tight wire  
You're a cat skinner  
(Ah, cat skinner)  
Bless you, you're the winner

Situation comedies do  
Nothing for my head  
Just groovin' for good times with  
All my freaky friends instead

Oh, steppin' out  
Digging all fours baby  
That's what moving's all about  
I said steppin' shout  
Hanging up all my changes  
I'm just letting it all work out  
Yeah

I want you and you and you and  
You to come up and step out  
I want you and you and you and  
You to come up and step out

Ah, ah ah ah ah ah  
Ah ah ah ah ah  
Ah ah ah ah

Steppin' out  
Steppin' shout

Steppin' (catch me I'm a fire) out  
Steppin' (cut the tight wire) shout  
Steppin' (catch me I'm a fire) out  
Steppin' (cut the tight wire) shout
