

# Heaven's Little Angel

The Outfield

Everytime I look at you I see Heaven's little angel  
I can see the light that shines around you every day  
Ooh, ooh, ooh  
Everytime I think of you I see Heaven's little angel  
When I close my eyes and I can't sleep, I call your name

And I'll never stop loving you my little angel  
You make the sun shine on a cold and cloudy day

Every little thing you do is like a little angel  
You were always there for me to wipe my tears away

And I'll never stop loving you my little angel  
You make the sun shine on a cold and cloudy day

Yeah!

Ooh, my angel

And I'll never stop loving you my little angel  
You make the sun shine on a cold and cloudy day

And if my dreams should all come true - my little angel  
You'll be there for me until my dying day  
You'll be there for me until my dying day  
You'll be there for me until my dying day - c'mon

Ooh, my angel

My little angel

Ooh, my angel

My little angel
