

A Real Good Feelin'

The Outlaws

I don't have to make any promises
'Cause then I don't have a thing to regret
Seems that you say too much
Your heart starts breakin'
Not just another face upset

Love is the promise I made you
And I love you good, honestly
And if distance doesn't make your heart break
Then it's love that I promise to keep

'Cause it's a good feelin' to know
Yeah, it's a smooth dealin'
And a whole lot of meanin'
A good feelin' to know
It's a smooth dealin'
A real good feelin'

The love that you've given
Has driven me down
So I have gone away
Anyway

It's just tossin' and turnin' without you
And now so many stormy days passes by
I'm sheltered in knowin'
That the promise of knowin'
Is just you and I

And it's a good feelin' to know
And it's a smooth dealin'
And a whole lot of meanin'
A good feelin' to know
And it's a smooth dealin'
A real good feelin'

The love that you've given
Has driven me down
So I have gone away
Anyway

Well, let's just base it on the fact that I love you
And the promise that I made still stands true
Well, the feeling's in the meanin'
And the meaning's in the fact I still love you

It's a good feelin' to know
Yes, I do
The feeling's in the fact that I love you

A good feelin' to know
And it's a smooth dealin'
And a whole lot of meanin'
A good feelin' to know
It's a smooth dealin'
A real good feelin'
It's a good feelin' to know

And it's a smooth dealin'
With a whole lot of meanin'
A good feelin' to know
And it's a smooth dealin'
A real good feelin'
