## The Outlaws

You never asked me what I wanted  
You only asked me why  
I never thought that so much trouble  
Rested on my reply

I could tell it was the nights when I was lonely  
That you were the only one who'd talk  
I could tell you that I liked your sensitivity  
But you know it's the way you walk

Why do you have to say there's always someone  
Who can do it better than I can?  
But don't you think that I know that walking on water  
Won't make me a miracle man?

Baby's got to have the things she wants  
You know she's gotta have the things she loves  
She's got a ten-inch bamboo cigarette holder  
And her black patent leather gloves

And I'm doing everything just trying to please her  
Even crawling 'round on all fours  
Oh, I thought by now that it was gonna be easy  
But she still seems to want for more

Why do you have to say there's always someone  
Who can do it better than I can?  
Well don't you think that I know that walking on water  
Won't make me a miracle man?

Never give you a bad reputation  
Just because you never been denied  
You're trying to say you've done it all before, babe  
You know that you just get tired

Yet everybody loves you so much, girl  
I just don't know how you stand the strain  
Oh, I'm the one who's here tonight  
And I don't wanna do it all in vain

Why do you have to say there's always someone  
Who can do it better than I can?  
Well don't you think that I know that walking on water  
Won't make me a miracle man?

Oh yeah

A miracle man  
Oh, you've got to find another miracle man, now baby  
A miracle man  
Ohhh-ohh-oh  
A miracle man  
I said a miracle man  
You need a miracle man  
I want a miracle man  
Oh lord, a miracle man  
Need a miracle man

A miracle man  
A miracle man
