

# A Night To Remember

The Overtones

When you love someone it's natural, not demanding  
And that's one thing I'm proud to say I found in you  
I'm so glad we reached an understanding  
Now I know my heart is safe with you

Get ready tonight  
We're gonna make this a night to remember

When you love someone it's natural, not demanding  
And that's one thing I'm proud to say I found in you (Found in you)  
I'm so glad we reached an understanding  
Now I know my heart is safe with you (Ooh)

So now my love to you, baby, I surrender

Get ready tonight  
We're gonna make this a night to remember  
Get ready tonight  
We're gonna make this a night to remember

Celebrations and my heart could stay united  
And there's nothing in this world to come between me and you (Me and you)  
We're together and it keeps me so excited  
To think of what the power of love can do (Ooh)

And it fills me with love oh, so tender

Get ready tonight  
We're gonna make this a night to remember  
Get ready (Baby) tonight (Darlin')  
We're gonna make this a night to remember  
Make this a night to remember

We're gonna make this a night to remember

Get ready tonight  
We're gonna make this a night to remember  
Tonight  
Tonight

This is your night tonight  
Everything is gonna be alright  
This is your night tonight  
Everything is gonna be alright

This night you won't forget  
We're gonna make this a night to remember

Get ready tonight  
We're gonna make this a night to remember

This is your night tonight  
Everything is gonna be alright  
We're gonna make this a night to remember  
Get ready  
This is your night tonight  
Everything is gonna be alright

We're gonna make this a night to remember
