

# Higher

## The Overtones

Ohhh, oh you lift me up  
Lift me high off the ground  
And I don't want to come down, yeah-hey  
Ohhh it's been so long since I've looked  
Into the eyes of a loved one  
How can I compare you  
to the morning sun?

So high don't wanna come down now  
So high my feet ain't touched the ground  
Your love keeps lifting me higher,  
Lifting me higher

Love your love  
Your love is lifting me (higher)  
Love your love  
Just where I wanna be (woohoo)  
Your love keeps lifting me, lifting me higher  
Love your love  
Your love is lifting me (higher)  
Love your love  
Just where I wanna be (woohoo)  
Higher than I've ever been  
Your love keeps lifting me,  
lifting me higher

Your love is the air I breathe (The air I breathe)  
I want you so desperately (ooh ho)  
I want you, I need you  
There ain't no living without you yeah-hey

She's dancing to beat of my broken heart (I was dancing)  
And she came into my world  
It's a brand new start  
For me, (for me) it's true (It's true)  
There ain't no living without you

So high don't wanna come down now  
So high my feet ain't touched the ground  
Your love keeps lifting me higher,  
Lifting me higher

Love your love  
Your love is lifting me (higher)  
Love your love  
Just where I wanna be (woohoo)  
Your love keeps lifting me, lifting me higher  
Love your love  
Your love is lifting me (higher)  
Love your love  
Just where I wanna be (woohoo)  
Higher than I've ever been  
Your love keeps lifting me,  
lifting me higher

Keep it moving, taking me higher  
Let the sun shine down on me

It's a feeling when we're touching  
Loves a brand new energy

Keep it moving, taking me higher  
Let the sun shine down on me  
It's a feeling when we touch  
Loves brand new energy
