

Nosferatu

The Ozark Mountain Daredevils

Like Sigmund Freud, William Boyd, Bobby Lloyd
I took a step inside the void
I say, hey, hey, hey, Nosferatu

And like Forrest Gump and Donald Trump, a humpty dump
I took a leak, I made the jump
I say, hey, hey, hey, Nosferatu
I say, hey, hey, hey, Nosferatu

I've seen wildfires, cool supplies, campfires fallin' down
I've seen blown tires, barbed wire, and vampires on the ground

And like Kublai Kahn, Elton John, Robert Vaughn
Appear today, and then I'm gone
I say, hey, hey, hey, Nosferatu

And like Elkland, Ho Chi Minh, director Lynn
I ain't goin' back to where I've been
I say, hey, hey, hey, Nosferatu
Hey, hey, hey, Nosferatu

I've seen wildfires, cool supplies, campfires fallin' down
I've seen blown tires, barbed wire, and vampires on the ground

(Are you talking to me?)

And like Aldo Ray, Ian Pay, Marvin Gaye
I lost myself, and found a way
I say, hey, hey, hey, Nosferatu
I say, hey, hey, hey, Nosferatu
I say, hey, hey, hey, Nosferatu
I say, hey, hey, hey, Nosferatu

Naaaaaahhhhhh
