

Turn It Up ?

The Ozark Mountain Daredevils

I worked all day until a quarter to four
Collected my pay, I ain't workin' no more
Sittin' at the bar, mingling with the crowd
Listenin' to guitar, I'm a foamin' at the mouth

Turn it up, turn it up, turn it up, turn it up
Turn it up, turn it up, turn it up, turn it up
Turn it up, turn it up, turn it up, turn it up
Turn it up, turn it up, turn it up, turn it up

When I'm knockin', let me in your house
When I'm rockin', turn it up loud, turn it up

Out late baby last night 'til dawn
Rockin' like crazy with the radio on
Early in the mornin', I'm feelin' half-dead
Girl stops a moanin' and she looks at me and says

Turn it up, turn it up, turn it up, turn it up
Turn it up, turn it up, turn it up, turn it up
Turn it up, turn it up, turn it up, turn it up
Turn it up, turn it up, turn it up, turn it up

When I'm knockin', let me in your house
When I'm rockin', turn it up loud, turn it up

Turn it up

When I go out and don't want to be bored
My money's down hidden in the door
Listen Jack, I'm here tonight
It's a natr'l known fact the the customer is right

Turn it up, turn it up, turn it up, turn it up
Turn it up, turn it up, turn it up, turn it up
Turn it up, turn it up, turn it up, turn it up
Turn it up, turn it up, turn it up, turn it up

When I'm knockin', let me in your house
When I'm rockin', turn it up loud, turn it up

Turn it up
Ow, turn it up
