The Pack A.D.

You light up like a dollar sign
Hey kid, here's mud in your eye
I can't fall asleep at night
Ahh, ahh, ahh, ahh

All these jerks circling me
Not even love
Comes for free
Just knock me out
So I can sleep
Ahh, ahh, ahh, ahh

I feel great like electric shock
You must be bored
Starin' at that clock
I keep my money
All in my sock
Ahh, ahh, ahh, ahh

Ooh, ooh
Ooh, ooh

You found love and threw it away
I woke up and had eggs today
No one cares
What you say
Ahh, ahh, ahh, ahh

My favourite news is on the TV
Seems like they're always screamin' at me
Well that's just reality
Ahh, ahh, ahh, ahh

Ooh, ooh
Ooh, ooh
Ooh, ooh
Ooh, ooh

One of these days I'll walk right in
You'll know from my shit-eating grin
That everything good is bad again
Ahh, ahh, ahh, ahh

Ooh, ooh
Ooh, ooh
Ooh, ooh
Ooh, ooh
