

Airborne

The Pack A.D.

You are
Human
And I
Am construct
I'll be
Immortal
While you turn to dust
I want
Nothing
More than to
Help you
That is
All that
I can hope
To do

What's this on the radar?
What's this on the radar?
What's this?

Airborne to die
And there's no human to turn to
You've gone awry
My circumstances are dire

I am
The moon
And you are
The sky
And now
I have
No time
To cry
There is
No perfect day
For me
We are
Now twins
In this
Destiny

I'm caught in the madness
I'm caught in the madness
I'm caught

Airborne to die
And there's no human to turn to
You've gone awry
My circumstances are dire
Airborne to die
And there's no human to turn to
You've gone awry
My circumstances are dire

Ahh, ahh, ahh
Ahh, ahh, ahh
Airborne to die

And there's no human to turn to
You've gone awry

Airborne to die
And there's no human to turn to
You've gone awry
My circumstances are dire
Airborne to die
And there's no human to turn to
You've gone awry
My circumstances are dire
Airborne to die
And there's no human to turn to
You've gone awry
