

Big Anvil

The Pack A.D.

It's all make believe
The colours are bright
Now we're fightin'
I'll make you see stars

Watch it, here comes the big anvil
Eh

Well, I'm a dog
Makes you a cat, naw
Now there's a mouse
Hit him with that

Watch it, here comes the big anvil
Oh
Ah!

It's a screen change
In the desert
Now I'm hallucinating
Oh, you're a big steak

Watch it, here comes the big anvil
Aw!
(Ahh)

Heh heh heh...
Aww ahh...
Ow!
Heh
Ow!

It's just like life
But only better
Now I'm amazing
Aw, you stepped on a rake

Watch it, here comes the big anvil
Eh
Huh
Ow!
Heh
Ha!
