

Big Shot

The Pack A.D.

I think I said, "The end is coming"
You said, "That's great
I'll be king"
Well you're a jerk
Quite a piece of work
I think it's fun that you're so dumb

It is such a lonely world
When you are around

Screw your indignity, ohh
You're no Chips Rafferty, ohh
Like that ape on the tower, ohh
Crushin' planes by the hour, ohh

Ooh, big shot
Ooh, big shot
Ooh, big shot
Ooh, big shot

Your mono drama
Is killin' me
Just call and get
Some therapy
Here's a smile face
So you know I can
I can play my game while I share

It is such a lonely world
When you are around

So screw your indignity, ohh
You're no Chips Rafferty, ohh
Like that ape on the tower, ohh
Crushin' planes by the hour, ohh

Ooh, big shot
Ooh, big shot
Ooh, big shot
Ooh, big shot

Ooh, big shot
Ooh, big shot
Ooh, big shot
Ooh, big shot
Ooh, big shot
Ooh, big shot
Ooh, big shot
Ooh, big shot
