

# Blackout

The Pack A.D.

Whoa-oh  
Ah-hey  
Are you with me?  
I can't see you  
Turn the lights on  
I can feel you  
Turn the lights on  
It's a blackout  
Light a candle  
And then touch me

Whoa-oh  
Ah-hey  
Are you with me?  
Turn the lights on  
Light a candle  
I can feel you  
It's a blackout  
It's a blackout  
Light a candle  
Ah, touch me

Wha-ah-ah-ow  
Heh-eh-ay  
Are you with me?  
I can feel you, hah  
Turn the lights on  
It's a blackout  
Light a candle  
I can feel you  
Light a candle  
And then touch me
