Bone Handle

The Pack A.D.

Got a bone handle on my knife
Gonna cut me a man down
Got a bone handle on my knife
Gonna cut me a man down
Oh my handle's good luck, babe
Promise it won't make a sound

Oh-ho
Ahh-ahh

Hey, got the wolves and the bears
They're all on my side
Well I've got the wolves and the bears
They're all on my side
When you got animals to protect you
Ain't nothin' gonna scratch your hide

Run from me
Run from me
Come to me
Come to me

Bone handle
Oh whoa whoa
Mm-hmm
All right
