

Does It Feel Good

The Pack A.D.

You say words as if
Words have meaning
I hear hearts
Pulsing, crushed, fainting
We're not
Safe or sound

Love loses shape
The more it
Gets beaten
Said I could
Now it's all repeating
We're not
Safe or sound
We're on unstable ground

Does it feel
Does it feel
Does it feel good?
Does it feel
Does it feel
Does it feel good?

Do you believe
That it's just
A roll of dice?
Or a God above
That designs your life?
No one knows your mind

I dream of planes
Crashing all around me
I try to save you
But you keep running from me
No one knows your mind
Are we out of time?

Does it feel
Does it feel
Does it feel good?
Does it feel
Does it feel
Does it feel good?

Do you want
A compromise
Or some more life?

(Ahh, ahh, ahh)
(Ahh, ahh, ahh)
(Ahh, ahh, ahh)
(Ahh, ahh, ahh)
(Ahh, ahh, ahh)
(Ahh, ahh, ahh)
(Ahh, ahh, ahh)
(Ahh, ahh, ahh)
