The Pack A.D.

I thought I'd save you all  
But in the drink it calls to me  
I'm weak  
We've all been here before  
Frozen from here to shore  
Surreal  
Complete

Here comes the sea  
But I can't feel my legs  
It's here for me  
Now I'm not saved  
Today

A masquerade of mirrors  
We'll cheers and ring New Year's  
And dance and sleep  
What is it that you fear?  
Some monster coming near?  
It's just me  
You'll see

Here comes the sea  
But I can't feel my legs  
It's here for me  
Now I'm not saved  
Today

Here comes the sea  
But I can't feel my legs  
It's here for me  
Now I'm not saved  
Today  
Here comes the sea  
But I can't feel my legs  
It's here for me  
Now I'm not saved  
Today

Ahh ahh ahh...
