The Pack A.D.

I thought I'd save you all
But in the drink it calls to me
I'm weak
We've all been here before
Frozen from here to shore
Surreal
Complete

Here comes the sea
But I can't feel my legs
It's here for me
Now I'm not saved
Today

A masquerade of mirrors
We'll cheers and ring New Year's
And dance and sleep
What is it that you fear?
Some monster coming near?
It's just me
You'll see

Here comes the sea
But I can't feel my legs
It's here for me
Now I'm not saved
Today

Here comes the sea
But I can't feel my legs
It's here for me
Now I'm not saved
Today

Here comes the sea
But I can't feel my legs
It's here for me
Now I'm not saved
Today

Ahh ahh ahh...
