

## Is It So

The Pack A.D.

I've been on this road  
For a while  
My cloak and my sword  
More for style  
Your friends think that I'm  
So hostile  
I think I'm just fine  
But that's denial

I know you know  
I saw that UFO  
But tell me, is it so?  
It's hard, I know  
It's my crazy show  
But I have to go

Ooh ah hah  
Ooh ah hah  
Ooh ah hah

I know what you saw  
In my mind  
I tried to shut it down  
In time  
Sweet Gladys showed just for  
The rhyme  
It's 1972, she could be fine  
She's dead

I know you know  
I saw that UFO  
But tell me, is it so?  
It's hard, I know  
It's my crazy show  
Do I have to go?

Ooh, ah hah  
Ooh, ah hah  
Ooh, ah hah

Ooh, ah hah  
Ooh, ah hah  
Ooh, ah hah  
Ooh, ah hah  
Ooh, ah hah  
Ooh, ah hah  
Ooh, ah hah  
Ooh, ah hah
