

Loser

The Pack A.D.

Honestly I think too much
And spend a lot of time alone
When you call I don't pick up
I sit staring at the phone

Ahh
Ahh-ahh ahh-ahh ahh-ahh-ahh ahh

People can be nice, but
I feel awkward when I'm near them
And I make all my best jokes
When no one is around to hear them

Ahh
Ahh-ahh ahh-ahh ahh-ahh-ahh ahh

I'm alone because
I chose to be
So when I'm lonely
I have nobody to blame but me
I do it to myself
I do it to myself

I'm a good speaker
When I make speeches in my head
But when I talk aloud
It sounds like gibberish instead

Ahh
Ahh-ahh ahh-ahh ahh-ahh-ahh ahh

I'm alone because
I chose to be
So when I'm lonely
I have nobody to blame but me
I do it to myself
I do it to myself
I am a loser and
I will always be
So I sit around
And wait for solitude to swallow me
I do it to myself
I do it to myself
