

## Paper Bag

The Pack A.D.

Put a bag over my head  
Over your head  
Put a bag over my head  
Over your head  
Over your head

A big paper bag over my head  
Over your head

Put me at my feet like a rock  
Stare at me, at my feet, like a rock  
Like a rock  
Sail me, sail me  
Sail away like a rock  
Like a rock

Oh, work is what you are  
Oh, work, work is what you are  
What you are  
Save me, stay away  
At my feet  
I can play everything

What you are  
What you'll always be
