Reprogram

The Pack A.D.

You read me like I'm an open book
See what I'm made of, don't look now
How did I get here?
Think it was mine, what you took
Water is wine
I am shook, now
I remember

Here they come, here they come
They want a thing
Here they come, here they come
Give 'em nothing
Now beam out

Out, stay out, stay out
Of my head
Out, stay out, stay out
Of my head

My lips locked tight in an iron vice
And all those tears kept on ice melt
Affecting no one
Head opens like a jewelry box
Trinkets inside, more epoxy
Reprogramming done

Here they come, here they come
They want a thing
Here they come, here they come
Give 'em nothing
Now beam out

Out, stay out, stay out
Of my head
Out, stay out, stay out
Of my head
Out, stay out, stay out
Of my head
Out, stay out, stay out
Of my head

Out, stay out, stay out
Of my head
Out, stay out, stay out
Of my head

Out, stay out, stay out
Of my head
Out, stay out, stay out
Of my head
Out, stay out, stay out
Of my head
Out, stay out, stay out
Of my head
