

# Ride

The Pack A.D.

You lay around  
I lay around  
What have you done?  
What have I done?  
You're like, "It's alright"  
I'm like, "It's alright"  
Are we havin' fun?  
Aw

Let's take your mom's car out for a drive  
For a drive  
For a drive  
She won't notice and we'll drive all night  
Drive all night  
Drive all night

We gonna ride  
We gonna ride all night  
We gonna ride all night  
We gonna ride all night  
Ow!  
Ah

You wander around  
I wander around  
Nothin' to do  
Nothin' to do  
You're like, "It's alright"  
I'm like, "Let's fight"  
Are we havin' fun?  
Aw

Let's take your mom's car out for a drive  
For a drive  
For a drive  
She won't notice and we'll drive all night  
Drive all night  
Drive all night

We gonna ride  
We gonna ride all night  
We'll ride all night  
We'll ride all night  
Ow!

You're still around  
I'm still around  
You missed the signs  
You missed the signs  
You're like, "It's alright"  
I'm like, "Let's fight"  
Are we havin' fun?  
Aw

Let's take your mom's car out for a drive  
For a drive  
For a drive

She won't notice and we'll drive all night  
Drive all night  
Drive all night

We gonna ride  
We gonna ride all night  
We gonna ride all night  
We gonna ride all night

Let's take your mom's car out for a drive  
For a drive  
For a drive  
She won't notice and we'll drive all night  
Drive all night  
Drive all night

Ow!

We'll drive all night  
We'll drive all night  
We'll drive all night
